The UK's only *national padel league network*.

Padel League UK is the country's largest padel league network, and the only national one. And we're always expanding into new areas.

FLEXIBLE PAYMENT

Pay part of your fee *in prizes.*

A portion of any sponsorship fee may be paid in prizes, such as rackets, balls, apparel, vouchers or gift cards for division winners. The split between cash and prizes is agreed individually with Padel League UK.

Your product, on court

Prizes go straight to the best players in each division, the people others look to for kit advice.

Credited every time

Winners' announcements name the prize and the brand behind it.

Example

£600 naming rights paid as £400 cash plus £200 of rackets for division winners. Final terms are always agreed with Padel League UK.

i This option isn't always available. It depends on the prizes being offered and the prizes we need for the upcoming season.

— THE SEASON CALENDAR

Four seasons, *every year.*

Each league runs on a 13-week cycle, so a sponsorship covers roughly three months of matches, updates and content. Every league page that follows lists its next four seasons.
